

Over 15,000 Products

ASI has a proven track record of supplying high quality competitive products for **21 years** to over **12,000 companies** throughout North America.

Saving Customers 20% to 50% on Automation, Connectivity and Power Products

AC Outlets

- Din Rail Mount
- Single, Double, GFCI
- Single with Circuit Breaker
- Single IEC 320
- Through Panel IP65, NEMA 4
- Panel Mount with Protection Cap

Cables and Cordsets

- Sensor Cables and Cordsets
- Solenoid Cables and Cordsets
- M12- RJ45 Cables
- Industrial Ethernet Cable & Cables
- Patchcords

Cable Glands

- Waterproof Cable Glands
- PG & Metric
- Brass, Nylon, and Plastic
- Stainless Steel
- Explosion Proof, ATEX
- Accessories

Cabinet Essentials & Tools

- DIN Rail Cutter
- DIN Rail
- Crimp Tools
- Pneumatic Crimping Tools
- Battery Powered Crimp Tools
- Cutting and Stripping Tools
- Hydraulic Crimping and Cutting
- Cable Tie Tools
- Screwdrivers

Circuit Breakers & Fuse Holders

- Moulded Case Circuit Breakers
- DIN Rail mount, UL489, UL1077
- DC Circuit
- Ground Fault - GFCI Breakers
- High Current Breakers
- Panel Mount
- Rack Mount
- Midget, Class CC
- Terminal Block, 5x20mm
- PCB Mount, 5x 20mm
- In-Line, 5 x 20mm

Connectors

- PCB Connectors
- Panel Mount Connectors
- Thru Panel Connectors
- Panel Interface Connectors
- Wire to Wire Connectors
- DIN Rail Connectors
- Insulated Multi-tap Connectors
- Circular Connectors -
M5, M8, M12, M16
- High Current Connectors
- Compression Lugs, Crimp Terminals
- Wire Ferrules
- RJ45, M12, USB Adapters

Din Rail Power Supplies, DC-UPS

- 12, 24, 48,72Vdc Outputs
- .5A to 100 Amp, 15W to 2400Watt
- Single, Split, Three Phase Input
- Compact, Low Profile Models
- Parallel & Redundancy Models
- DC-UPS, 12-48Vdc Up to 20 Amp
- AC-UPS, 24Vdc Output
- DC-DC Converters
- Water Resistant Models
- Power Distribution Modules

Enclosures

- Carbon Steel, Stainless Steel and Non-Metallic
- Wall Mount
- Floor Mount
- Free Standing
- Wire Junction Box
- Push Button

Hazardous Location Products

- Ethernet Switches, Class 1, Div 2 Certified
- DIN Rail Terminal Blocks, Ex, IECEx
- Cable Glands, Ex, ATEX
- Enclosed Rotary Disconnect Switches
- Small Enclosures, Exe, ATEX
- Rotary Limit Switches Ex, ATEX, IECEx
- Microswitches, Ex, IECEx, ATEX

Industrial Ethernet Products

- Industrial Ethernet Switches, POE Injectors
- 5 & 8 Port Unmanaged
- Bulk High Flex Cat5E, Cat6 Cable
- 1, 3, 5 Meter M12-RJ45 Ethernet Cable
- Through Panel RJ45 Ethernet Connectors
- M12 to RJ45 Through Panel Adapters
- Patch Modules and Cable Splitters
- Field Attachable Connectors, Cat5e, Cat6A
- Industrial Ethernet Surge Protectors
- RJ45 Connector Crimp Tools

Interface Modules

- DIN Rail AC Receptacle Modules
- RJ11/ RJ45
- D-Subminiature
- Ribbon Cable
- PLC I/O
- Power Distribution
- Panel Interface
- Component Holders
- Connector to Terminal Block Transition Modules

Marking and Labelling

- Thermal Printers
- Terminal Block Labels
- Cable/Wire Labels
- Push Button Markers
- Rail Legends
- Panel Labels and Signs
- Marker Plates
- Barcode Labels

ASI disclaims any proprietary interest in the marks and names of others.

Modular Terminal Blocks

- DIN Rail & Panel Mount
- Screw Clamp, Spring Clamp
- Push-in Wire
- NEMA, Ring Terminal Style
- Multi-Position Euro Blocks
- Multi-Level, Sensor, Special Function
- CT Sliding Link & Disconnect
- High Current & Power Distribution
- Busbar & Ground Connections
- Wide Range Accessories

**ASI offers a wide range of Phoenix Contact®, Allen-Bradley®, and Weidmuller® terminal block equivalents.*

MODBUS RTU, Remote I/O Modules

- Compact DIN Rail I/O Modules
- 4 Channel Voltage Input to Modbus RTU
- 4 Channel Current Input to Modbus RTU
- 4 Channel RTC Input to Modbus RTU
- 4 Channel Modbus RTU, Input to Modbus Relay Output

Motor Controls

- Disconnect Switches
- Drum Switch
- Motor Control Stations
- Motor Protection Fuse Blocks
- Motor Reversing Switches
- Cam Switches
- Contactors and Overloads
- Manual Motor Starter
- Overload Relays
- Start-Stop Stations

PCB Terminal Blocks

- 2.54, 3.5, 3.81, 5.0, 5.08, 6.35, 7.5, 7.62, 10.16, 12.7 mm pin spacing
- 2-24 Positions, Single, Two, Three level
- Wire Protector, Rising Cage, Spring Clamp
- Up to 115 Amps
- PCB Headers, Pluggable Connectors
- Vertical, Horizontal, Angled, Front Wire Entry
- Connectors & Headers with Screw Locks
- Economy Fixed and Pluggable
- Inverted Plugs & Headers

**ASI offers a wide range of Phoenix Contact® PCB equivalents, over 5,000 models.*

Pendant Stations

- Hoist Pendant Stations
- Crane Pendant Stations
- Lift Platform
- Multi Button Stations
- Pistol Grip 2 & 3 Button
- Single Row & Double Row
- Key Switches & Emergency Stops
- Custom Pendant Stations

Push Buttons, Switches, Warning Devices

- Push Buttons
- Emergency Stops
- Disconnect Switches
- Limit Switches
- Foot Switches
- Key Switches
- Control Station & Enclosures
- Panel Light Indicators
- Alarm Buzzers
- Potentiometers
- Selector Switches
- Micro Switches
- Tower Stack Lights
- Beacon Warning Lights

Relays

- Compact Multi-Channel Modules
- Control Relays
- Terminal Block Relays
- Solid State
- Signal Optoisolators
- Relay Sockets
- IEC Control Relays

**ASI offers equivalents to Phoenix Contact® and Allen-Bradley®.*

Sensor Products

- Photoelectric Light Sensors
- Inductive Proximity
- Capacitive
- High Temperature
- Sensor Cables
- Distribution Boxes
- Logic Inverter
- M12 & M8 cordsets
- Sensor Connectors
- Safety Light Curtains
- Change Logic Inverter, NPN-PNP

Signal Conditioners

- Sensor Signal Inverter
- Analog Signal Isolators, 4-20mA
- Signal Splitters, 4-20mA
- Programmable Conditioners
- Multi-Signal Converters
- Single Channel Converters
- Special Signal Converters

Surge Protection

- DIN Rail, Single & Three Phase
- Terminal Blocks, 24V, 4-20ma
- IT Data Network
- Industrial Ethernet
- SPD for Solar Applications
- SPD for Wind Turbine
- PCB Mounted MOV & SPD

Value Added Services

- Junction Boxes
- DIN Rail Assemblies
- Pre-Printed Labels
- Pre-Wired Pendant Stations
- Custom Cam Switches
